

## Implementation Guides

- Locate and support small businesses, including unique retail and restaurants in Town Center
- Continued support for cultural amenities, such as Rockville Arts Place and Science Center, in Town Center
- Maintain citizen involvement, to include routine updates
- Ensure that adequate public and private open space is provided in new development

## Neighborhood Plan Guides

- Zoning changes for area east of the tracks to be based on neighborhood plans
- Developers should work with the neighborhoods
- Protect neighborhoods from further encroachment
- Transition buffers areas between Town Center and neighborhoods are important
- Do not increase cut-through traffic
- Neighborhood should not be overburdened with social and institutional uses
